MOBILE HOME  
PATIO COVERS

AREA 500

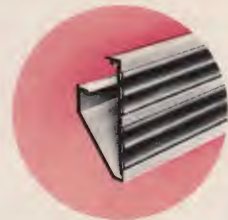

# NO OTHER PATIO COVER OFFERS SUCH OUTSTANDING FEATURES!

**choice of all-aluminum or alternated  
with colorful translucent panels.**

The popularity of mobile home living is due largely to the love of the outdoors and the informal freedom it permits. And now with NAVACO MOBILE HOME PATIO COVERS comes a welcome addition to this living... a durable, attractive patio cover or carport to expand your living area at a minimum expense, and to provide features heretofore not available.

- ★ **DESIGNED FOR MOBILE HOMES** — easy to put up or take down!
- ★ **A SIZE FOR EVERY NEED** — customed to your requirements!
- ★ **AVAILABLE WITH 3½" or 6" FASCIA** — anodized extruded aluminum, concealed gutter. Trim slats available in 15 decorator colors.
- ★ **GREATER ROOF SUPPORT** through unique panel design. Panels interlock for greater rigidity and protection, giving a clean, uncluttered appearance. Aluminum panels available in white or clear satin, or "Skylight" featuring "trans white" and "trans green."
- ★ **TAILORED LINES TO COMPLIMENT TODAY'S SMART MOBILE HOMES!**
- ★ **WIDE ASSORTMENT OF POSTS AND DECORATIVE COLUMNS!**

6" FASCIA OF EXTRUDED ALUMINUM WITH COLORFUL DOUBLE TRIM SLATS.

3½" FASCIA OF EXTRUDED ALUMINUM WITH COLORFUL SINGLE TRIM SLAT.

DEEP "V" DESIGN ROLL-FORMED ALUMINUM PANEL FEATURING INTERLOCKING DESIGN. AVAILABLE IN WHITE BAKED ENAMEL FINISH.

Translucent "Skylight" panels alternated with every 4th aluminum panel to permit soft, diffused light, and eliminate darkened corners.

NAVACO harmonizes with today's smart mobile home design. Note the large glass area protected from sun and inclement weather.

Here is a patio cover that looks like it was originally designed just for this mobile home! Choice of 15 decorator color trim slats for fascia.

**NAVACO "ALL THE WAY!"**

From patio cover to complete NAVACO awning coverage for the windows, a delightful way to break the straight line appearance and add a homey look!

Vibraz

"Double-Duty" with a NAVACO unit serving on one side as a cool, shaded recreation area, and a carport on the other side which really protects.

Imagine the extra coolness by shading this large glassed area and eliminating sun-fading of interiors. NAVACO Mobile Home Patio Covers pay for themselves in savings!
